

Directions from Brindisi

- Take the SS16 signed San Vito de Normanni.
- In the centre take the SP1 signed Ostuni (straight through Carovigno).
- Climb the hill in to Ostuni, at the first set of traffic light turn left.

AS YOU TURN PRESS THE TRIP METER AND DO NOT PRESS IT AGAIN

- Follow this road around the edge of Ostuni over various roundabouts (1.9km).
- Take the 3rd exist on this roundabout signed Martina Franca.
- Follow this road out of town.
- Turn left (9.2Km) down a small lane just after a sign advertising VW cars.

- This road is walled on both sides with Villa's all along it. The property that is on the corner is walled (1m high) and above it is a green mess fence with vines growing on it.

- Follow this road (the surface gets worse the further you travel along it).
- This road is very strait (Roman). At the end is a very sharp right hand corner (11.2km) – go round it. And up the hill, past the first set of gates on the right.
- The second set of gates (11.4km) are ours, they are on the right as the road bends to the left sharply – you have arrived!

These instructions if followed will get you to your destination. I know how stressful finding a Villa is so I have tried to make them as simple and accurate as possible. If you do however get lost you can call either Bettina +39 0831 330 831 or Efisia +39 339 758 2907.
